# NOTES ON APPLICATION FORM

## 1. GENERAL

This information will assist you in applying for an Invitation to Compete, and determining the acceptability of your vehicle.

Please read carefully the process involved in making an application for an Invitation to Compete; the issue of an Invitation to Compete; and the Vehicle Selection Policy.

This application form is designed to provide information to assist us in our deliberations. The information will also be the basis of publicity material about the event. Therefore, please observe these points:

- Complete EVERY detail as requested. By not receiving full details of the crew and the vehicle we will not be able to classify the car and may be unable to issue a final Invitation to Compete.
- Failure to provide complete and accurate information, particularly about modifications to your vehicle, may result in your application not being considered, or an invitation issued on false information being rescinded and fees forfeited, or exclusion from all results.
- Front and Rear ¾ colour photographs of the nominated vehicle must be supplied to assist us in identifying the make and model. The photographs will also be used in the Targa Tasmania Official Program, and therefore must be good-quality colour prints. Transparencies and black and whites are not suitable.
- If you wish to nominate more than one vehicle, please submit a separate application form for each vehicle with a separate AUD\$800 application fee for each one.

## 2. TARGA TASMANIA VEHICLE SELECTION COMMITTEE

All applications are considered by The Targa Tasmania Vehicle Selection Committee and progressively selected are the most desirable of all the vehicles nominated to build a field of about 270 - 320 cars. The first batch of Invitations to Compete will be issued around October 2009. Applications close on 3 March 2010.

# TERMS AND CONDITIONS FOR THE INVITATION PROCESS

This section should ultimately be read in conjunction with the Supplementary Regulations for Targa Tasmania 2010, available for distribution about November 2009. In the event of conflict, the Supplementary Regulations take precedence.

## 1. GENERAL

- Applications for Invitations to Compete in Targa Tasmania 2010 open at 9am on 4<sup>th</sup> May 2009, and close at 5pm on 16<sup>th</sup> March 2010.
- Applications are to be lodged with the organisers on the official application form; specifying the vehicle in which the applicant has nominated to compete; listing the exact year the vehicle was built; plus **full details of ALL modifications made to the original specifications of the vehicle**; and be accompanied by an application fee of AUD\$800.
- An Invitation to Compete, (including entrants eligible for Early Bird discount), is issued by the Organisers at their sole discretion. Any such invitation applies only to the nominated entrant, the nominated driver and the nominated vehicle as described in the "Vehicle Specifications" section of this application.
- An entrant wishing to change the vehicle originally nominated or to vary its specifications in any way after an invitation to compete has been issued, must notify the Organisers who, at their sole discretion, reserve the right to withdraw the original invitation and consider the proposed replacement vehicle as a new application. **Vehicle changes must be submitted on the "Change of Vehicle" form.**
- The Organisers reserve the right to decline to issue an Invitation to Compete (including Early Bird applicants) in Targa Tasmania 2010 without giving a reason.
- An entrant invited to compete will be notified within seven days of our decision to issue a provisional or final invitation.
- The maximum number of starters is limited by road closure arrangements, and under current circumstances will not exceed 260 for the Competition, 40 for the Rookie Rallye, 10 for Vintage Rallye and 40 for the Tour.
- Notwithstanding the lodgement of an application and the issue of an invitation to compete, the entrant, driver and navigator will be required to complete the Entry Form provided by the organisers, upon invitation.
- Subject to the approval of the body issuing the permit to conduct the event, an entry may be substituted for one lodged prior to the stated closing date of entries and in respect of which the original entrant has advised of an inability to compete.
- It is a condition of entry that, from the completion of each vehicles pre-event scrutiny, the vehicle is subject to security park conditions as set down in the Supplementary Regulations.
- It is a condition of entry that Tour entrants attend any Show & Shine or Concours, arranged by the Organisers during the event.
- The entrant agrees all film and video tape rights for the event are jointly the property of the Organisers, Octagon Australia Pty Ltd and Southern Cross Television. Competitors are permitted to carry video cameras in their vehicles for the purpose of making moving or still picture records for their private viewing, but the Organisers retain copyright of all film/video footage associated with the event. No movie, film or video taping of any part of the event shall be carried out by entrant or crew member other than with the express approval, in writing, of the Organisers.
- Any commercial arrangements made by the entrants and crew members for the sale of film or video/still footage, or viewing of such footage in a public place, must be approved in writing by the Organisers. Entrants and crew members are advised to contact the Organisers prior to making commitments for any such commercial arrangement. Failure to observe this regulation may lead to legal action by the Organisers for a breach of copyright.
- All crew members agree to the use in perpetuity of their names and photographs, and photographs of their vehicles, in publicity material issued by the Organisers or the event sponsors and to comply with the film and video regulations.
- All crew members agree that their names and contact details may be made available to and be used by sponsors and licensees of the event.
- The Organisers have the right in perpetuity to authorise the production, distribution and sale of models, photographs or other forms of reproduction of any vehicle participating in the event, in competition livery (including drivers, co-drivers and navigator names) for event-related promotions.
- The entrant of the outright winning vehicle in each Competition permit the vehicle to be road tested for a major motoring magazine on 4<sup>th</sup> May 2009, if so required.
- Applications may be submitted post Close of Applications, but will incur an additional fee of \$800. No application will be accepted after 31<sup>st</sup> March 2010.
